Eyes of Learning

Long Island's Oldest and Most Respected Metaphysical Teaching and Learning Center

Program of Events July 2015 through August 2015

Friday, July 24, 2015 8:00PM Lecture: **Where Three Rivers Meet**, with Peter Blum, has a private practice in neo-Ericksonian hypnosis, and shamanic sound healing, a Certified Instructor for the National Guild of Hypnotists (NGH), he has also trained and certified hundreds in the art of hypnosis. In 2004, Peter was named Certified Instructor of the Year by the NGH, the largest professional organization of its type in the world. The Confluence of Hypnosis, Sound Healing, and Shamanism. We will look at the deep connections between these three time-honored approaches to healing and spiritual guidance. Demonstrations of the use of drums, tuning forks, and singing bowls, as well as a brief hypnotic induction will be part of the evening's entertainment and education. Peter's Web Page: http://www.soundsforhealing.com/
$10 Members, $15 Non-members. No pre-registration required.

Friday, August 7, 2015 8:00PM Lecture: **Time Travel and Transylvania**, by Peter Moon Author and publisher Peter Moon, primarily known as author and publisher of "The Montauk Project: Experiments in Time" will be discussing his adventures with time control scientist Dr. David Anderson who brought him to Romania in 2008 and tutored him in basic concepts of time theory. This lecture will focus on demonstrating how basic principles of math and physics support the reality of time travel. Peter will also address his personal adventures in Transylvania to Sarmizegetusa, the ancient spiritual capital of the Old World which, per agent legend, is said to represent the origin of time. Peter's Web Page: http://www.digitalmontauk.com/?author=1
$10 Members, $15 Non-members. No pre-registration required.

Friday, August 21, 2015 8:00PM Lecture: **Create Your Breakthrough** with Joe Nunziata a best selling author, professional speaker, spiritual teacher and life & business coach. His new book Karma Buster was featured in the 2012 Academy Awards and Emmy Awards gift bags. Breakthroughs occur every day and it is possible to accelerate and create them on a regular basis. Making changes requires us to change our energy and transition to a higher place. Discover the keys to creating breakthroughs in your life. Your life is based on your energy and beliefs. When you make the proper adjustments positive changes will occur. At this lecture You will discover: -The True Definition of a Breakthrough, -How Your Beliefs Impact Your Growth, -How Internal Fears Slow Your Progress, -How to Expand Your Energy, -How to Break You Negative Patterns and Cycles, -Exclusive Breakthrough Techniques and much more. Joe's Web Page: http://www.jnunziata.com/
