#### FYI: THE EYES OF LEARNING HELPS THE NEEDY

As a volunteer organization, your support and help is what keeps us going strong.  
We have always been thankful, for without your support  
we would not have reached our 26<sup>th</sup> Anniversary.

Over the years, the Eyes Of Learning, Inc. has tried to pay forward  
what has come to us, in part by making charitable contributions to different organizations.

This is a partial list of groups we have made generous donations to:

**THE REGINA HOUSE**, in Merrick for unwed mothers  
**OUR REDEEMER CHURCH FOOD PANTRY**, in Farmingdale  
**LITTLE SHELTER**, an Animal Shelter  
**DOCTORS WITHOUT BORDERS**, for Haiti

Thank you, for these donations were possible because of you.

Seth dictated 10 books and numerous monologues on many subjects, offering information and various exercises to help us get more out of our lives by understanding ourselves and our reality better. His key statement was "You create your own reality" and he meant that on every level; physically, spiritually and emotionally.
