Long Island's Oldest & Most Respected Metaphysical Learning Center

Upcoming Events ~ September - December 2013

Friday, September 20, 2013 8:00PM – Lecture: “**Codes of Reality**” with Alan Steinfeld, host and founder of the popular website and television program New Realities and NewRealities.com will give a talk on our worldview and how it encompasses everything we think we know about the world. Yet the world is an unfathomable mystery and we are an intricate part of that mystery. Alan will share with us how can we tap into more of the true underlining reality of life and expand on the understanding of who and what we are?

This evening’s presentation on Codes of Reality looks at the basic structures of reality so we can change our perspective to create a larger worldview. In order to do this we must look at the power of perception, which includes language, our mind and our basic assumptions. This lecture and power point will gives us the keys to the seeing beyond what we know or even imagined. You will, as a result of this evening, come to understand the ultimate realization of yourselves as divine incarnations capable of knowing and having it all. Friday, November 22, 2013 8:00PM Lecture: "Healing Powers of Sound with Indian Music Therapy" and a "Kirtan Satsung and Healing Concert" with Dr. M. Hari Haaren who has conducted more than 300 workshops and over 200 Lectures, over the past 15 years, on the Healing Powers of Indian Music Therapy, Chanting and Kirtan in several countries including USA, Canada, UK, Italy, Austria, Singapore, Seoul, Japan, Hong Kong, Switzerland, Germany, Greece.

What is Music Therapy: It is a listening therapy program using specially filtered classical music to improve ear and brain function. A link is established between the sounds we hear and our functioning in speech, learning, energy and stress. The classical music that one listens transforms the improvement of the ear function and also recharges the cortex of the brain. How it Works: Hearing is physical and listening is psychological. both are vital to our communication skills, establishing good relationship, socializing with everyone and learning intuitiveness. Out of the 12 cranial nerves, 10 are linked to the ear, indicating the importance of the Musical sounds to our nervous system.

What are the Benefits: very effective for healing ailments like blood pressure, nervous disorder, body pain, migraine, rheumatics, stress, anger, depression, heart ailments, sleeplessness, and autism ; and for positive approaches to marital harmony, personality development, medical professionals, IT People, cancer counseling, weight loss, diabetes, stress management, children, teenagers, police personal, legal fraternity, sports persons, senior citizens etc. Bring a open mind and a receptive ear and just relax and enjoy the benefits of Sound Healing at this unique presentation.
