Unlike many others in her field, Bobbi can relay messages from master guides through automatic writing. She is also a remote viewer, enabling her soul to be transported to locations of missing items and people. For over a decade, Bobbi has helped hundreds around the globe, including law enforcement and private investigators.

Bobbi is a natural teacher. She uses her gifts to touch people with love in such a way that inspires them to embrace their own gifts and share them with others. Like her mother, grandmother and three sisters, Bobbi was born with the ability to receive messages from spirits, guides and angels. Through her adult life, she has honed her abilities by practicing positive meditation and studying spirituality. Friday August 29, 2014 8:00PM Lecture: "Close Encounters with Benevolent ETs and Ascended Masters", with Marc Brinkerhoff: ET Contactee, Conscious Channel & UFO Photographer. Marc's visually exciting Key-note presentation touches on his Close Encounters with these benevolent ETs and his physical and dimensional experiences onboard spaceships. It will include some of his UFO photography and his own exceptional life-like illustrations of the Ascended Master ETs he has met physically and dimensionally through out-of-body experiences and Soul Travel.

Why are the benevolent and Ascended Master ETs visiting and interested in the spiritual and technological development of the people on planet Earth? The Ascended Master ET's want you to know why this is an epic time on Earth for YOU to be here 'NOW'. He will conduct the meditation or 'Seed Atom Activation' designed by the Ascended Master ETs to help you make contact with your 'Higher Self' and your 'True Self' (who many also call the 'Total Self', 'Over-self' and 'Authentic Self'.) This activation can Heal, Protect, Transform, Transport or Link-up and help you Manifest Your Heart's Desires, sometimes with surprising speed.

If you are curious or think you are a 'Galactic Soul' and wondering what your mission is on Mother Earth at this time, you should not miss this event. Marc's ET group always intersects a dimensional higher frequency spaceship into every space Marc lectures at. Many intuitives have seen the interior of the craft and most everyone feels the love. Marc is always conscious channeling the Ascended Master ETs when he lectures, gives workshops or readings. ET language: 'Adonai Vasu Barragus' Translation: 'Blessings in the Love and Light of our Infinite Creator'.
