Friday August 26, 2016 8:00PM Lecture: Mastering The Transition, The Practicality of Moving Toward Enlightenment – with Diane Vitantonio, Energy Therapist, Published Author, Editor and Co-Author of various books on Energy & Ancient Esoteric Practices Wondering why so many dramatic things are happening to people during this time? As an Energy Therapist and author I have had the opportunity to share and speak with many people, especially those in the Spiritual realm, who believe the state of expansion comes from living in the 4D/5D paradigm. This is one of the biggest illusions of today. The 4D/5D worlds are temporary because this “Energy” is only sustainable in moments. We can see examples of this in Buddhism through the idea of the preciousness of a human birth. This concept is directly related to the importance of the human birth as a unique opportunity to work off our karma. We cannot do this or reach such a place from an angel or God state. Instead, we must cross the threshold of the human journey.

The key is staying in our human-ness and by practicing a few simple steps, we learn how to traverse the 3D world in order to master higher and more expanded states. It is in this paradigm where the work resides and the rewards become cumulative... It all happens through transmuting our human experiences and emotions as a recipe for mastership of the mind. Please join us for a powerful evening filled with fun, discovery and human appeal.

Friday September 16, 2016 8:00PM Lecture: The Love Spell Secret to Creating More Love in Your Life...even a SOULMATE - with Jerry Weinstock actor, artist, producer and award-winning author, co-authored a groundbreaking book about women, *BREASTS: Women Speak About Their Breasts and Their Lives* (Simon & Schuster). Jerry has also appeared on the Oprah and Phil Donahue shows where his book was the entire subject of the show. Jerry and his late-wife, Joy, were a “match-made-in-heaven.” Literally. They were so happy and fulfilled, they wanted to teach others how to find the love of their dreams. So they taught the heaven-sent 12 Steps to Finding Your Soulmate that brought them together. In workshops throughout Los Angeles (where they lived) they helped many individuals manifest incredible love stories.

When Jerry lost Joy to cancer, he was devastated. But their love defied death as Joy began to communicate with him from the Afterlife and led him on an extraordinary journey to heal his grief. His memoir, “JOYride: How My Late Wife Loved Me Back to Life,” won an eLit Award — silver medal for Best Spiritual/Inspirational Digital Book of 2011.

Determined to find another soulmate, Jerry used the 12-Step program once again and found his current Lilly with whom he shares passion and purpose. And for whom he uprooted himself from LA to live in LI. Please join in this event to learn, to grow share and most of all hear a 12 STEP PLAN on how find your “SOULMATE”!
