### LECTURE: ANGELS & ALIENS

**with Marc Brinkerhoff, World Renown ET Contactee & UFO Photographer**

Don't miss this special program when Marc explains the sublimely important connection between Benevolent ET Masters and Angels both Guardians and Archangels. He'll present at least two recent true stories of physical encounters which provide a glimpse into your Galactic Soul evolution. A short activation/meditation and, if time allows, some 'ET Alchemical Universal Symbol' instruction will be provided. As always, Marc's direct ET contact, Sarriless is available for questions.

*Marc is a Contactee, Conscious Channel and Walk-in. He is a self-aware Aspect from Very High Frequency Dimensional Universals of the Alsyglion Group. They are beyond the idea of spiritual masters. (Our words, not theirs, as they are profoundly humble.) He is their only representative to speak for them on Earth. He is able to often call in interdimensional Extraterrestrial Craft to be witnessed and photographed to bear witness to his ongoing contact. He can be seen in the award winning film by James Carman, "The Hidden Hand". Marc's presence in the film provides the benevolent aspect of human and ET interaction.*

**LECTURE: SACRED GEOMETRY:**  
**Raising Vibration through Divine Patterns**  
**with Charlie Tedesco, Sacred Geometry Teacher**

Sacred Geometry is the original and only architecture of the Universe. When we are able to connect to the energies of Sacred patterns, we elevate to higher states of consciousness and vibration. This is because we are connecting energetically to that from which we were created. Sacred patterns exist in nature and we are created in the same mathematical ratios. During this presentation Charlie will explain different ways of tapping into this universal life force and how to implement different healing methods and use for meditation to connect to the Higher Self. In this Oneism {oneness of everything} we will bridge the gap between spirituality and science. Come and see the amazing unfolding of how everything ties together energetically.

*Charlie is a teacher of Sacred Geometry, designer and manufacturer of Sacred tools for Enlightenment.*
