LECTURE: AN EVENING EXPLORING PAST LIVES
with JOSEPH D'AIRO, PSYCHIC MEDIUM

Within every living being is an eternal Soul, that Soul that has danced through the ages on a remarkable journey to experience everything there is to know about life. But why? Joseph D'Airo has been researching past lives for years and along with guidance from Spirit, has discovered exciting information as to why we experience more than one lifetime. Joseph will help attendees understand the purpose of their past lives and experiences. He will guide participants through a meditation designed to connect with a past life. Joseph has also created a special crystal circular grid that will help everyone connect and receive the imagery of their past lives during the meditation. You are encouraged to bring your own crystals. Please join us for a special evening of spiritual exploration.

Joseph D'Airo is a Psychic Medium, Seer, Activator, and Visionary Artist who has been connecting to spirit all of his life. He channels the guidance and wisdom of your loved ones, ancestors, spirit guides, angels and other higher powers to help clients achieve their highest potential. As a Seer and Activator, Joseph connects with spirit and communicates their guidance to help those he reads on their journey in creating a richer, more fulfilling life. As a Visionary Artist, Joseph channels imagery from spirit to create beautiful illustrations for spiritual and emotional healing. Joseph is amazed by the many facets of the Universe and he continues to expand his knowledge. Joseph is well-versed in crystals, past lives, Feng Shui, astrology and numerology.
